

Eaton EFVCC5

Catalog Number: EFVCC5

Eaton VoCALL 16 Emergency voice communication system, Analogue, VoCALL, Master Panel, 5 lines, Wall Mounted, Grey / Metal

General specifications

Product Name	Catalog Number
Eaton VoCALL 16 digital network panel emergency voice system	EFVCC5
	Product Length/Depth
	77 mm
Product Height	Product Width
280 mm	397 mm
Product Weight	Warranty
6.5 kg	3 year
Compliances	
Contact Manufacturer	

Product specifications

Resources

Product branding

Eaton

Operating temperature - min

-5 °C

Auxiliary relays

Not applicable

Main input supply

230 Vac, 50 Hz

Weight (Without Batteries)

5.45 kg

Mounting Method

Wall

Surface mounting

EN Certification Standards

EN54 Pt4 (Power Supply Equipment)

Cable entry location

Top

Rear

Humidity (Non Condensing) (0-XX%) - Min

0 %

Low voltage directive

Other

Battery voltage

12 V

Operating temperature - max

40 °C

Battery capacity

5 Ah

External interface

Relays

Number Of Outstations (Standalone)

5

Communications type

Analogue

Number of fault LEDs

8

Number of status LEDs

3

Color

Grey

Construction material back enclosure

Mild steel

Type of display

LCD

British standard compliance

BS5839-9

Number of outputs for acoustic signal generators

1

Maximum network size (number of nodes)

5

Stainless steel variant

Yes

Operating voltage

240 V

Ingress protection

IP20

Integrated function

Integrated Dial Device

Emergency Power Supply Integrated

Construction material front enclosure

Mild steel

Humidity (Non Condensing) (0-XX%) - Max

95 %

Number of circuits

5

Type of circuit

Radial

Number of batteries

2
