EC-CERTIFICATE OF CONFORMITY

0832 - CPD - 0252

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

801PH Digital addressable photoelectric smoke and Class P heat detector for use in fire detection and alarm systems

(For conditions of use for the product see the attached appendix)

placed on the market by

Thorn Security Ltd. (Trading as Tyco Safety Products)
Dunhams Lane, Letchworth, Hertfordshire SG6 1BE, UK.

and produced in the factory

Tyco Fire & Integrated Solutions s.r.o. (Trading as Tyco Safety Products)
Osvobozeni 363, Rajec, Czech Republic CZ679 02.

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan. The initial type-testing for the relevant characteristics of the product, the initial inspection and continuous surveillance of the factory and factory production control has been performed under the control of the approved body BRE Global Limited.

This certificate attests that all provisions concerning the attestation of conformity (Level 1) and the performances described in Annex ZA of the standard(s)

EN 54 - 5: 2000 + A1: 2002 - Heat detectors - Point detectors

EN 54 - 7: 2000 + A1: 2002 + A2: 2006 - Smoke detectors - Point detectors using scattered light, transmitted light or ionization

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 18/7/2005 and remains valid as long as the product continues to be manufactured and the conditions laid down in the harmonised technical specification referenced or the manufacturing conditions in the factory or the FPC itself are not modified significantly and the required annual FPC assessments are maintained.

Appendix to EC Certificate of conformity 0832 - CPD - 0252

The details and conditions of use for the 801PH Digital addressable photoelectric smoke and Class P heat detector, placed on the market by Thorn Security Ltd. (Trading as Tyco Safety Products) Dunhams Lane, Letchworth, Hertfordshire SG6 1BE, UK. are:

To be used in accordance with the suppliers installation instructions and in conjunction with the following bases, ancillaries, sounder tones and sensitivity settings (*where applicable*):

Bases:

4B 4" universal mounting base

5B 5" universal mounting base

Sensitivity Settings:

High sensitivity setting (for optical and thermally enhanced optical operation)

Normal sensitivity setting (for optical and thermally enhanced optical operation)

Heat Classifications:

Class A1R

Class A2S

Variants:

811PH (Marine variant)

801PH (VdS variant)
