

FF CP500

Intelligent Addressable Manual Call Point

0832-CPR-F2819

EN54-11

Features

- Intelligent Addressable Manual Call Point
- Unbreakable Glass
- Non-polarized two-wire connection
- LED Indicator
- EN54-11 Certified
- LPCB Approved
- CPR Certificated

Technical Specifications

Operating voltage	24V DC
Operating current	≤0.2mA
Alarm current	≤0.8mA
LED Indicator	Red
LED Polling	Flash
Work Temperature	-10°C~+55°C
Storage Temperature	-10°C~+55°C
Humidity	≤95%
Dimension	95x95x44 mm
LPCB No.	1450e/01
CPR no.	0832-CPR-F2819

Order Details

- FF CP500 Intelligent Addressable Manual Call Point

Doc: FF CP500 Datasheet_GB 01/2020

Fire & Gas Alarm System • CCTV System • PAVA System • Emergency Lighting System • Access Control System • Integration System • Reasure
